# CATALYST M ALPHA ONE 600/858

## BACKCOUNTRY GOLD

When you pair the CATALYST platform with ALPHA ONE single-beam rear suspension, you're guaranteed a ride to remember. If you take it a step further by adding our all-new 858 engine, you've got the ride of a lifetime. This revolutionary backcountry sled embodies lightweight agility without sacrificing any power, and with the all-new 858 C-TEC2 engine, there's plenty to spare.
